

How It Works

We Need Your Help... It's Simple!

Donate Equipment

1. Drop off Assistive Technology (AT), Computers and Home Health/Durable Medical Equipment (DME) at your local outreach center
2. Get a tax donation receipt
3. Consider a \$10 donation to help with our "no landfill" policy!

Receive Equipment

1. Contact your local outreach center
2. Fill out a simple application
3. Pick up your equipment from the local outreach center once it becomes available
