Receive Equipment

1. Contact your local outreach center
2. Fill out a simple application
3. Pick up your equipment from the local outreach center once it becomes available

About the STAR Network

The STAR Network serves individuals with disabilities by increasing access to Assistive Technology (AT), Computers and Home Health/Durable Medical Equipment (DME). This program promotes increased independence and more participation in education, the workplace, and the community in underserved regions of Georgia and the Southeast.

The STAR Network establishes and identifies partnerships in Georgia, Florida, South Carolina, North Carolina, Alabama, Tennessee and Mississippi.

The STAR Network focuses on

- ❖ Accepting Equipment
- ❖ Evaluating Equipment
- ❖ Repairing and Sanitizing Equipment
- ❖ Distributing and Matching the Client's Needs and
- ❖ Promoting Training

STAR Network Partners

Georgia Outreach Centers and Other Partners

- ❖ Multiple Choices Center for Independent Living, Athens
- ❖ Walton Options, Augusta and Aiken, SC
- ❖ BAIN Independent Living Center, Bainbridge
- ❖ Tech-Able, Conyers
- ❖ Disability Connections, Macon
- ❖ disABILITY LINK NW, Rome
- ❖ LIFE Independent Living Center, Savannah and Southeast, SC
- ❖ Columbus Assistive Technology Outreach Center (CATOC), Columbus
- ❖ Roosevelt Warm Springs Institute for Rehabilitation (RWSIR), Warm Springs
